Hygopac Seal Check – Seam Sealing Test Documentation

The following table can be used for the release documentation of intact seal seams (functional assessment) and for the documentation of additionally performed tests. The check / release is confirmed with the signature.

Name of device:				Item number:		
				Serial number:		
Type of routine test		Test successful?			Date	Signature
☐	Hygopac seal check test system	☐ Yes	☐ No	☐ Not applied		
☐	Seam sealing test, test seal	☐ Yes	☐ No	☐ Not applied		
☐	Peeling test / test of tensile strength	☐ Yes	☐ No	☐ Not applied
